**SUBJECT: Publication of the annual financial report**

Under the requirements of Art. 100n, para. 1. and para. 2 of POSA and Art. 31, para. 1, item. 1. of Ordinance 2 of 17.09.2003 on the prospectuses for public offering and admission to trading on a regulated securities market and disclosure of information, we hereby inform you that ALLTERCO AD will submit an individual audited financial report for 2019. within the statutory time limit under § 45, item 2 of the Transitional and Final Provisions of the Emergency Measures and Actions Act. In compliance with the good corporate practice and the public statements of ESMA and FSC, the management undertakes to make the necessary efforts to publish the audited annual financial report with a minimum delay of up to 2 weeks in comparison to the term that was initially set in POSA.

The reason behind the delayed publishing is that the imposed restrictions on gathering people and carrying out trips within the declared by the decision of the National Assembly of 13.03.2020 state of emergency and the remote working method established in connection with these, created operational difficulties in the exchange and revision of information and documents during the annual financial audit of the company. This created an objective impossibility for the preparation, audit, and certification of the annual financial report of the company and its publishing within the period stipulated in the Public Offering of Securities Act.
