ANNOUNCEMENT

about the participation of Allterco JSCo in the Research Coverage Programme of the European Bank for Reconstruction and Development (EBRD)

Herewith we would like to inform that Allterco JSCo falls within the scope of the Research Coverage Programme of the European Bank for Reconstruction and Development (EBRD), of which the Bulgarian Stock Exchange is partner. As a part of the programme the EBRD consultant on the programme - the investment bank WOOD & Company - will provide independent research reports about the company.

The reports for Allterco JSCo will be issued in English and publicly available free of charge at the specially created for the Programme [Listed SME Research Hub](#). The analyses prepared for the company will be at least five during the two-year research coverage initiative. The purpose of the programme is to provide publicly available free of charge analyses in order to create more transparency for the SMEs. Therefore, this is seen as an opportunity for Allterco JSCo to become more visible and to attract the interest of more foreign investors.
